Makler V, Goldstein CL, **Hoernschemeyer DG**, Tanaka T. Chiari I Malformation and Syringomyelia in Mucopolysaccharidosis Type I (Hurler Syndrome) Treated With Suboccipital Craniectomy, C1 Laminectomy, Cerebellar Tonsil Coagulation, and Duraplasty: Case Report and Review of the Literature. *Journal of Neurosurgery: Pediatrics*. 2017 May.

Hoernschemeyer DG, Pashuck TD, Pfeiffer FM. Analysis of the S2 Alar-Iliac Screw as Compared to the Traditional Iliac Screw: Does It Increase Stability with Sacroiliac Fixation of the Spine? *The Spine Journal*, 2017 Jun;17(6):875-879. doi: 10.1016/j.spinee.2017.02.001.

Hoernschemeyer DG, Atanda Jr. A, Dean ES, Gupta SK. Discoid Meniscus Associated With Achondroplasia. *Journal of Orthopaedics*, 2016 May/June.

Kuhns CA, Cook CR, Dodam JR, Leach SB, Kuroki K, Jenkins TJ, Tallmage AM, **Hoernschemeyer DG**. Injectable gelatin used as hemostatic agent to stop pedicle bleeding in long deformity surgical procedures: does it embolize? *Spine*. 40(4): 218-223. 2015 Feb.

Pade K, Long A, Anderson JT, **Hoernschemeyer DG**, Hanson D. The Superior Articular Process as an External Landmark for Determining the Transverse Plane Angulation of Thoracic Pedicles. *Spine Deformity 1* (2013) 185-188.

Hoernschemeyer DG, Skaggs DL, Sucher M. Use of Mineral Oil Aids Scoliosis Correction by Decreasing Implant Friction *Am J Orthop*. 2012:41-43.

[Baca KE](#), [Abdullah MA](#), [Ting BL](#), [Schkrohowsky JG](#), **Hoernschemeyer DG**, [Carson BS](#), [Ain MC](#). Surgical decompression for lumbar stenosis in pediatric achondroplasia. [J Pediatr Orthop](#). 2010 Jul-Aug;30(5):449-54.

Tobias JD, **Hoerschemeyer DG**, Anderson JT. Ankle Clonus and Wake-Up Tests During Posterior Spinal Fusion: Correlation With the Bispectral Index. *Am J Orthop*. 2009 Apr.

Barrett MO, Rao B, Vaslow D, Anderson JT, **Hoernschemeyer DG**. Multiple Level Pediatric Cervico-Thoracic Intervertebral Disc Calcifications. *Am J. Orthop*. 2008 July.

Barrett MO, Anglen JO, **Hoernschemeyer DG**, Schnetzler KA. Case Report: Associated Both-Column Acetabulum Fracture With an Ipsilateral Centrally Dislocated Intertrochanteric Femur Fracture. *J Trauma*. 2008 Feb 12. [Epub ahead of print]

Tobias JD, Goble TJ, Bates G, Anderson JT, **Hoerschemeyer DG**. Effects of dexmedetomidine on propofol and remifentanyl infusion rates during total intravenous anesthesia for spine surgery in adolescents. *Pediatric Anesthesia 2008* 18: 1082–1088.

Schnetzler KA, **Hoernschemeyer DG**. The Pediatric Tiplane Ankle Fracture. *J Am Acad Orthop Surg* 2007 Dec;15(12):738-47.

Tobias JD, **Hoernschemeyer DG**. Near infrared spectroscopy identifies compartment syndrome in an infant. *J Pediatr Orthop*. 2007 Apr-May; 27(3):311-3.

Schkrohowsky JG, **Hoernschemeyer DG**, Carson BJ, Ain MC: Early presentation of spinal stenosis in achondroplasia. *J Pediatr Orthop*. 2007 Mar; 27(2):119-122.

Hoernschemeyer DG, Farjoodi P, Payam MS, Cheng J, Sponseller P. A Study of the Cutaneous Nerves Encountered During Thoracoplasty. *Spine*. 32(3):301-305, 2007 Feb.

Chang JH, **Hoernschemeyer DG**, Sponseller PD. Delayed postoperative paralysis in adolescent idiopathic scoliosis: management with partial removal of hardware and staged correction. *J Spinal Disord Tech*. 2006 May;19(3):222-5.
