University of Missouri School of Medicine Visiting Student Program

At the University of Missouri School of Medicine, we value the uniqueness of every individual and strive to ensure each person's success. Contributions from individuals with diverse backgrounds, experiences and perspectives promote intellectual plurality and enable us to achieve the excellence that we seek in teaching, research, and patient care.

Our Visiting Student Program provides opportunities for 4th year medical students to experience and learn in our inclusive community by doing an elective rotation with the University of Missouri School of Medicine and MU Healthcare.

Available Rotations

Child Health	Obstetrics, Gynecology and Women's Health
Dermatology	Orthopedic Surgery
Emergency Medicine	Pathology
Family Medicine	Physical Medicine and Rehabilitation
General Surgery	Psychiatry
Internal Medicine	Radiology
Neurology	

Program Description

Selected students will participate in the clinical activities of the chosen department including conferences and other educational activities. **Students will receive up to \$950 for housing during their elective which may be accompanied by a stipend provided by the individual department to which the student is assigned.** * Electives are available from August through March.

Eligibility

Students must be enrolled as a 4th year student in an LCME or COCA accredited institution at the time of the elective.

Students who are members of groups underrepresented in medicine are encouraged to apply.

Application Process

Apply through VSLO for an away rotation. Once accepted, submit this supplemental application for the Visiting Student Program to hendersonle@health.missouri.edu.

*Each individual department decides if an additional stipend will be available and the amount of that additional stipend.
