Printed copies are for reference only. Please refer to the electronic copy for the latest version.

I. Policy Statement

- a. The purpose of this policy is to set forth the procedure residents must follow in the event they are arrested.
- b. This policy is important because it is essential that the Office of Graduate Medical Education (GME) and the program director be aware of the incident and the circumstances which caused the incident. This is for patient safety and to safeguard the accreditation of the institution and the program.

II. Definitions

- a. Resident:

III. Process/Content

- a. In the event a resident is arrested, for any reason, they must report the arrest to their program director and the Office of Graduate Medical Education as soon as reasonably possible, but no later than five (5) days after the arrest.
- b. Failure to report the incident in a timely manner may result in disciplinary action including, but not limited to, termination of employment.

IV. Attachments

- a. Not Applicable.

V. References, Regulatory References, Related Documents, or Links
