

CURRICULUM VITAE

JEANNETTE JACKSON-THOMPSON, MA, MSPH, PhD

BUSINESS ADDRESS

Missouri Cancer Registry and Research Center *and*
Department of Health Management and Informatics
401 Clark Hall

University of Missouri-Columbia
Columbia, MO 65211

Phone: (573) 882-7775

Fax: (573) 884-9655

Email: Jacksonthompsonj@health.missouri.edu

Website: <http://mcr.umh.edu>

HOME ADDRESS

106 East Parkway Drive
Columbia, MO 65203

Phone: (573) 442-7361

Cell: (573) 808-3850

Email: jjorjtt@aol.com

EDUCATION

1985 PhD, Medical/Cultural Anthropology, University of Missouri – Columbia

1975 MSPH, Public Health, University of Missouri – Columbia

1971 MA, Anthropology (Linguistics), University of Missouri – Columbia

1969 BA (with honors), Anthropology, University of Missouri – Columbia

POST-GRADUATE TRAINING

1989 International Graduate Summer Session in Epidemiology, University of Michigan-School of Public Health, Ann Arbor

PROFESSIONAL EMPLOYMENT

1/2011 – present *Director*, Missouri Cancer Registry and Research Center and
Research Associate Professor, Dept. of Health Management & Informatics
University of Missouri School of Medicine, Columbia, MO 65211-4380

9/10 – present Core faculty, University of Missouri Informatics Institute (MU-II), Columbia, MO

9/2007 – 12/2010 *Operations Director*, Missouri Cancer Registry and
Research Associate Professor, Dept. of Health Management & Informatics
University of Missouri School of Medicine, Columbia, MO 65211-4380

8/2002 – 8/2007 *Operations Director*, Missouri Cancer Registry and
Research Assistant Professor, Dept. of Health Management & Informatics
University of Missouri School of Medicine, Columbia, MO 65211-4380

4/1996 – 7/2002 *Chief*, Office of Surveillance, Research and Evaluation
Director, Behavioral Risk Factor Surveillance System Project
Director, Missouri Cancer Registry Enhancement Project
Division of Chronic Disease Prevention & Health Promotion
Missouri Department of Health and Senior Services
Columbia, MO (< 5/2000); Jefferson City, MO (≥ 5/2000)

1990 – 1996 *Head*, Surveillance and Detection Unit, Bureau of Smoking, Tobacco and Cancer,
Division of Chronic Disease Prevention & Health Promotion, Missouri
Department of Health, Columbia, MO

1988 – 1990 *Project Epidemiologist and Coordinator*, *Cancer Information*, Bureau of
Smoking, Tobacco and Cancer, Division of Chronic Disease Prevention &
Health Promotion, Missouri Department of Health & Senior Services,
Columbia, MO

1986 – 1988	<i>Coordinator, Hypertension Control and Coordinator, Worksite Wellness</i> , Bureau of Chronic Diseases, Division of Maternal, Child and Family Health, Missouri Department of Health, Jefferson City, MO
1985 – 1986	<i>Computer Consultant</i> , Corinth Excavations, American School of Classical Studies, Corinth, Greece
1979 – 1983	<i>Research Assistant</i> (half-time), Department of Psychiatry, School of Medicine, University of Missouri, Columbia, MO
1979	<i>Coordinator</i> (half-time), Chancellor's Residence, University of Missouri, Columbia, MO
1977 – 1978	<i>Manager, Special Projects</i> , InterQual, Inc., Chicago, Illinois
1976 – 1977	<i>Information Specialist</i> , Department of Veterinary Microbiology, School of Veterinary Medicine, University of Missouri, Columbia, MO
1975 – 1976	<i>Instructor</i> , Department of Community and Family Medicine, School of Medicine, University of Missouri, Columbia, MO
1974 – 1975	<i>Teaching/Research Assistant</i> , Department of Community Health and Medical Practice, School of Medicine, University of Missouri, Columbia, MO
1972 – 1974	<i>Researcher, Neutron Activation Analysis Project</i> , Department of Anthropology and Research Reactor, University of Missouri, Columbia, MO
1971 – 1972	<i>Research Assistant</i> , Department of Anthropology, University of Missouri – Columbia
1967 – 1971	<i>Research Assistant</i> , Center for Research in Human Behavior University of Missouri, Columbia, MO

RELATED PROFESSIONAL EXPERIENCE

2006 – Present	Serve as <i>Voting Delegate</i> for the Missouri Cancer Registry to the International Association of Cancer Registries (IACR). (With five years' high-quality data, MCR became eligible, applied and was accepted into full membership in IACR in 2006.)
2002 – Present	Employ one or more Graduate Research Assistants (GRAs) from various departments (e.g., Health Management and Informatics (HMI), Statistics, Rural Sociology) each semester and provide summer internship opportunities for students. Publications and presentations where name is preceded by * denotes author was a student.
1997 – Present	Serve on Missouri Cancer Registry Advisory Board. <i>Established Board in 1997</i> and selected as <i>Chair</i> by Board members; re-elected and continued to serve as Chair until merger with Missouri Cancer Consortium in September 2006.
1996 – Present	Serve as <i>Voting Delegate</i> for the Missouri Cancer Registry to the North American Association of Central Cancer Registries (NAACCR). Nominate and vote on candidates for national office; introduce topics for discussion, vote on changes to the bylaws, etc.
2009 – 2012	Participant in CDC/National Program of Cancer Registries (NPCR) Advancing e-Cancer Reporting and Registry Operations (AERRO) Clinic/Physician Office (CPO) Workgroup; the goal is to develop/implement consistent standards for electronic CPO reporting to improve the completeness, timeliness, and quality of cancer registry data.
2009 – 2011	Melanoma Monograph Project: <i>Member of Steering Committee</i> and co-author of methods chapter. Project involves investigators from the Centers for Disease Control and Prevention (CDC), the National Cancer Institute (NCI), population-based cancer registries in the U.S., academic institutions, ORC Macro and the American Cancer Society.
2006 – 2009	Participant in CDC's National Program of Cancer Registries – Modeling Electronic Reporting Project (NPCR-MERP) central registry-based Strategic Assessment and Modeling Session (SAMS) 9-10 March 2006 and subsequent

- activities (e.g., pilot project to test the implementation of electronic reporting of pathology data from LabCorp to participating state central cancer registries; member of MERP Central Cancer Registry (CCR) workgroup visioning the future of cancer reporting).
- 1994 – 2008 *Adjunct Assistant Professor*, St. Louis University School of Public Health, St. Louis, MO
- 2003 – 2006 Colorectal Cancer Monograph Project
Member, Publications Committee (one of five members)
Member, Steering Committee (one of 12 members)
 Project involved over 60 investigators from the Centers for Disease Control and Prevention (CDC), the National Cancer Institute (NCI), population-based cancer registries, academic institutions, ORC Macro and the American Cancer Society (see PUBLICATIONS (Colorectal Cancer Monograph Project, p. 13).
- 1998 – 2005 *Adjunct Research Associate*, Department of Anthropology
 University of Missouri, Columbia, MO
- 1989 – 2004 *Missouri State Behavioral Risk Factor Surveillance System (BRFSS)*
Coordinator, Missouri Department of Health and Senior Services
 (Position mandated for cooperative agreement recipients by the Centers for Disease Prevention and Control (CDC))
- 2001 – 2003 *Supervised CDC Health Prevention Specialist (PHPS)* assigned to Missouri. (With CDC approval, supervision continued after change in employment in 2002.) (Spring 2001 (1st round) - submitted application to compete for assignment of a PHPS; summer 2001 (2nd round) - invited to meet with applicants in Atlanta; (3rd round) a PHPS selected the Missouri Cancer Registry project for years 2 and 3 of his PHPS assignment.) Presentations by PHPS marked with **.
- 1996 – 2002 Initiated and maintained Research Intern/Research Assistant program at Missouri Department of Health (now Department of Health and Senior Services), first to employ undergraduate and graduate students as summer interns to give them real-world experience while carrying out special Behavioral Risk Factor Surveillance System or Missouri Cancer Registry projects, later extended to fall and winter semesters as well as summer sessions. Publications and presentations where name is preceded by * denotes author was a student.
- 1994 – 1996 *Consultant*, Behavioral Risk Factor Surveillance Documentation Project, Behavioral Surveillance Branch, Division of Adult and Community Health, Centers for Disease Control and Prevention, Atlanta, Georgia
- 1974 – 1985 *Facilitator*, Human Sexuality Workshops, Department of Family and Community Medicine, School of Medicine, University of Missouri, Columbia, MO

COMMITTEES and WORKGROUPS

American Public Health Association (APHA)

Co-Chair, Health Informatics/Information Technology (HIIT) Section Poster Judging Committee (2013 – present)

Member, HIIT Section Work Group on National HIT Transformation: Identifying and Addressing Gaps in Consumer Involvement (November 2010 – 2012)

Centers for Disease Control and Prevention (CDC) National Program of Cancer Registries (NPCR)

Member, AERRO (Advancing E-cancer Reporting and Registry Operations) Work Group (2009 – July 2012)

Member, Central Cancer Registry Council (8/2011 – 12/2011; 3/13 – 7/13; 6/14 – 8/14)

Member, Medical Electronic Reporting (MERP) Work Group (2006 – 2009)

Member, Scientific Work Group (2000 – 2010)
 Member, High Quality Data Subcommittee (2003 – 2010)

North American Association of Central Cancer Registries (NAACCR)

Member, Uniform Data Standards Work Group (July 2014 – present)
Co-Chair, Uniform Data Standards Work Group (August 2013 – June 2014)
Member, Change Management Board (August 2013 – June 2014)
Member, IT Advisory Group (July 2013 – present)
Member, CINA Deluxe Application Review Work Group (June 2013 – present)
Member, Death Clearance Work Group II (June 2013 – January 2015)
Member, UDS – EDITS Impact Workgroup (June 2013 – present)
Member, Physician Reporting Work Group (June 2013 – present)
Chair, Uniform Data Standards (UDS) Standing Committee (June 2011 – June 2013)
 Member, UDS - Volume II Subcommittee (June 2011 – June 2013)
 Member, UDS – EDITS Impact Workgroup (January 2013 – present)
Member, Board and Chair Committee (June 2012 – June 2014)
Member, Interoperability – Physician Reporting Work Group (June 2012 – June 2013)
Member, Cancer Registration Steering Special Committee (August 2011 – June 2013)
Member, Change Management Work Group (August 2011 – June 2013)
Member, Data Use and Research Standing Committee (DURC) (2009 – May 2013)
 Member, DURC – Research Proposal Review Subcommittee (2009 – May 2013)
 Member, DURC – Confidentiality Subcommittee (2010 – June 2013)
 Chair or Co-Chair (since 2012), DURC – Student Award Subcommittee (2010 – July 2013)
Member, Registry Operations Standing Committee – Death Clearance Work Group II (2009 – June 2013)
 Member, Death Clearance Issues Work Group (2003 – 2009)
 Member, Death Clearance Workgroup, (2002 – 2003)
Member, Data Evaluation and Certification Standing Committee (DECC) (2006 – June 2013)
 Member, Certification Committee (2001 – 2005)
Member, 2007 and 2008 Annual Conference Planning Committees (2006 – 2008)
 Member, Abstract Review Subcommittee (2006 – 2007; 2007 – 2008)
 Chair, Poster Judging Committee 2007 Annual Conference (2006 – 2007)
 Member, Poster Judging Committee for Annual Conference (2008 – present)

National Cancer Registrars Association (NCRA)

Member, NCRA/CDC Work Force Project Central Cancer Registry Committee (2007 –2010)

CDC Behavioral Risk Factor Surveillance System (BRFSS)

Member, National BRFSS Working Group (11/2003 – 1/2004)
Member, National BRFSS Working Group (1992 –1994)

Missouri Cancer Consortium

Member, 2004 – present
Chair, Data & Surveillance Subcommittee (2010 – present)
Member, Executive Committee (2010 – present)

Other Committees, Work Groups and Task Forces

Chair, University of Missouri Information Technology Committee (September 2012 – present; member since September 2011; reappointed July 2013 to serve 2nd term as chair)
Chair, HMI Search Committee for Job Opening 10181 (Associate Research Professor, Non-Tenure-Track) (May 2013 – present)
Member, HMI Faculty Performance Committee (September 2008 – 2010)
Member, HMI Strategic Planning Steering Committee (September 2007 – 2010)

Member, HMI Departmental Administrator Search Committee (April - May 2009)
Member, University of Missouri Position Search Committee Job Description ID: 2600544
 (Clinical Assistant Professor in Health Management & Informatics) (September 2008)
Member, Missouri Department of Health Committee for the Promotion of Employee Health (1989
 –1991)
Member, Missouri Cholesterol Coalition Steering Committee (1987 – 1988)
Member, Inter-Agency Hypertension Committee (1987 – 1988)
Member, Missouri Department of Health Occupational Health Task Force (1987 – 1988)
 Inter-Agency Older Adult Task Force (1987 – 1988)
Member, Inter-Agency Minority Health Task Force, Cardiovascular/Diabetes Subcommittee
 (1987 – 1988)

APPLICATION REVIEWER/PEER REVIEW PANEL CHAIR

Chair, National Center for Chronic Disease Prevention and Health Promotion Special Emphasis Panel
 ZDP1 EEO 01 R, Panel 1 DP15-004 (Establish a Vision and Eye Health Surveillance System for
 the Nation), Centers for Disease Control and Prevention (CDC), 10 March 2015.
Chair, Disease, Disability and Injury Prevention and Control Special Emphasis Panel ZOH1 DYB
 (51) PAR14-227 Worker's Compensation Surveillance, National Institute for Occupational Safety
 and Health, CDC, 5 November 2014.
Chair, Prevention Research Center Special Interest (SIP) Peer Review Panel B1 (Skin Cancer, DP14-
 0010101, 14-015, -016 & -017), CDC, 3 June 2014.
Chair, National Center of Birth Defects and Developmental Disabilities Special Emphasis Panel
 ZDD1 EEO (02), CDC, 14-17 April 2014.
Member, Special Emphasis Peer Review Panel ZDP1 EEO 7D (RFA-DP09-0010501SUPP13) National
 Center for Chronic Disease Prevention and Health Promotion, CDC, May 2013.
Chair, Special Emphasis Peer Review Panel D SIP13-070 (RFA-DD 12-006: Coordinating Center for
 Research and Training to Promote the Health of People with Developmental and Other
 Disabilities (U01), CDC, July 2012.
Member, Special Emphasis Project Peer Review Panel (RFA DP-11-001: Pregnancy Risk Assessment
 Monitoring System (PRAMS)), National Center for Chronic Disease Prevention and Health
 Promotion, CDC, March 2011.
Chair, Craniofacial Panels, National Center on Birth Defects and Developmental Disabilities, CDC),
 April and May 2010.
Chair, Special Interest Project Peer Review Panels (3 panels), Prevention Research Center, Centers
 for Disease Control and Prevention (CDC), July 2009.
Chair, Special Emphasis Panels (3 panels), Centers for Disease Control and Prevention (CDC),
 Coordinating Center for Health Promotion (CoCHP). Applications reviewed under RFA DP-08-
 002 Health Promotion and Disease Prevention Research Centers: Special Interest Project (SIP)
 Competitive Supplements: *SIP 1: Managing Epilepsy Well (MEW) Collaborating Center for
 Epilepsy Self-management; SIP 3: Technical Support for Health Impact Assessment at the
 Community Level; SIP 2: Data on the Health of Older Adults at State and Local Levels.* CDC, 9-
 10 July 2008.
Panel member, CDC Mentored Public Health Research Scientist Development Award (KO1) (RFA-
 CD-07-003), June 2007.
Member, Health Promotion and Disease Prevention Research Centers: Special Interest Project
 Competitive Supplements Panel, National Center for Chronic Disease Prevention and Health
 Promotion, CDC, June 2007 (*Cancer Panel*).
Chair, Health Promotion and Disease Prevention Research Centers: Special Interest Project
 Competitive Supplements Panel, National Center for Chronic Disease Prevention and Health
 Promotion, CDC, June 2006 (*Cancer Panel*).

- Chair*, Health Promotion and Disease Prevention Research Centers: Special Interest Project Competitive Supplements Panel, National Center for Chronic Disease Prevention and Health Promotion, CDC, June 2006 (*Adult Health Panel*).
- Chair*, Special Emphasis Project Peer Review Panel (RFA DP-06-002: Pregnancy Risk Assessment Monitoring System (PRAMS)), National Center for Chronic Disease Prevention and Health Promotion, CDC, February 2006 (37 panelists).
- Chair*, Special Interest Project Peer Review Panel, Prevention Research Center, CDC, July 2005. Evaluate and rank nominations for awards to CDC Prevention Research Centers that have demonstrated excellence in areas such as innovation in research and implementation of community-based research (*one of three external judges*, October 2004). Awards presented at 20th anniversary program at the 2004 APHA meeting in Washington, DC (7 November 2004).
- Reviewer*, CINA (Cancer in North America) Deluxe applications, North American Association of Central Cancer Registries, 2003 – present.

ABSTRACT REVIEWER

- Health Informatics Information Technology (HIIT) Section of the American Public Health Association (February 2009 – present)
- Women's Caucus of the American Public Health Association (2005 – present)
- Annual Meeting, North American Association of Central Cancer Registries (2007 – present)

CONFERENCE/WORKSHOP PLANNING

- 2016 Annual Meeting Program Planning Chair, North American Association of Central Cancer Registries (NAACCR) to be held in St. Louis, MO 11-17 June 2016 (12/2012 – present)
- 2007 Annual Meeting Program Planning Committee, NAACCR (7/2006 – 6/2007)
- Program Directors' Meeting Planning Committee (2000 – 2001), National Program of Cancer Registries, Centers for Disease Control and Prevention (Atlanta, Georgia: December 2001)
- Planning Committee (1993 – 1994), Eleventh Annual BRFSS Conference (Atlanta, GA: June 1994)
- Planning Committee (1992 – 1993), Tenth Annual Behavioral Risk Factor Surveillance System Conference (Atlanta, GA: June 1993)
- Planning Committee (1990-1991), National Heart, Lung and Blood Institute, Workshop on Health Behavior Research in Minority Populations: Access, design and implementation (Bethesda, Maryland: 17 – 19 July 1991)
- Planning Committee (1987-1988) Region VII Cardiovascular Risk Reduction Conference (4 – 6 May 1998)

CONFERENCE/WORKSHOP - Invited Speaker, Moderator or Discussant

- Moderator*, Session on “Applying health informatics and information technology (HIIT) systems to facilitate surveillance and disparity reduction efforts” to be presented at the *142nd Annual Meeting of the American Public Health Association*, New Orleans, LA: 15 - 19 November 2014.
- Moderator*, Session on “Using health informatics and information technology (HIIT) to improve cancer reporting” to be presented at the *142nd Annual Meeting of the American Public Health Association*, New Orleans, LA: 15 - 19 November 2014.
- Organizer and moderator*, Session on “Health Informatics and Information Technology: Facilitating Data Sharing between Public Health and Clinical Care,” *140th Annual Meeting of the American Public Health Association*, San Francisco, CA: 27 October - 1 November 2012.
- Organizer and moderator*, Session on “Health Informatics and Information Technology: Facilitating Data Sharing between Public Health and Clinical Care,” *138th Annual Meeting of the American Public Health Association*, Denver, CO: 6-10 November 2010.
- Moderator*, Session on “Women's health across the lifespan: A focus on under-discussed health issues in underserved populations,” *138th Annual Meeting of the American Public Health Association*, Denver, CO: 6-10 November 2010.
- Invited speaker* (“MCR Update: Data usage and new projects”). *Missouri State Association of Tumor Registrars* (Lake Ozark, MO: 24 September 2010).

- Invited speaker* (“The road to VA data: Patience, persistence and penalties”) and *panelist*, session on reporting of VA data, *2009 Collaborative NCCCP & NPCR Conference* (Atlanta, GA: 15 April 2009)
- Invited speaker* (“Data security: Central registry perspective”)/*panelist*, workshop on data security, *2009 Collaborative NCCCP & NPCR Conference* (Atlanta, GA: 17 April 2009)
- Moderator/Discussant*, Session on “Women’s Health Disparities, Women’s Caucus,” *135th American Public Health Association Annual Meeting* (Washington, DC: 3 –7 November 2007)
- Speaker/Faculty Member*, Post-conference Workshop on Recruitment and Retention of Cancer Registry Staff. *Annual Meeting of the North American Association of Central Cancer Registries*, Detroit, Michigan: 8 June 2007.
- Moderator*, Cancer Panel, Epidemiology Section, *American Public Health Association 134th Annual Meeting* (Boston, Massachusetts: 5 – 9 November 2006)
- Moderator*, session on Explorations in Undergraduate Public Health Education, *133rd Annual Meeting of the American Public Health Association* (Philadelphia, Pennsylvania: December 2005)
- Chair*, 1995 Questionnaire Breakout Session, *Eleventh Annual BRFSS Conference* (Atlanta, Georgia: June 1994)
- Panelist* (two sessions), Workshop on Quality of Life Surveillance, *Eleventh Annual BRFSS Conference* (Atlanta, Georgia: June 1994)
- Chair*, 1994 Questionnaire Breakout Session, *Tenth Annual BRFSS Conference* (Atlanta, GA: June 1993)
- Co-Chair*, Data Management Breakout Session, *Tenth Annual BRFSS Conference* (Atlanta, GA: June 1993)
- Moderator*, Quality of Life Roundtable Discussions (three sessions), *Tenth Annual Behavioral Risk Factor Conference* (Atlanta, GA: June 1993)
- Invited Participant* (one of 88 from across the nation), *NHLBI Workshop on Health Behavior Research in Minority Populations: Access, design and implementation* (Bethesda, MD: June 1991)
- Executive Secretary*, Task Group on Survey Research, *NHLBI Workshop on Health Behavior Research in Minority Populations: Access, design and implementation* (Bethesda, MD: June 1991)
- Invited participant*, *Minority Health Issues Conference*, Department of Health and Human Services (Washington, DC: 1 – 4 September 1987)
- Invited participant*, Practical Implications for Public Cholesterol Screening: Conclusions of the Lipid Research Clinics, sponsored by the Citizens for Public Action on Cholesterol (Washington, DC: 20 May 1987)

COMMUNITY SERVICE

- Fortnightly (faculty wives/faculty women’s) Club, University of Missouri – Columbia: Past President (May 2008 – present); President (May 2006 – May 2007); President-elect (May 2006 – May 2007); Member, Long-range Planning Committee (May 2007 –present); Gastronomes Interest Group (member, 1970 – present; Chair, 1980, 1984, 1991); Program Chair, 1986–87; Editor, *Fortnightly Bulletin*, 1983-84.
- Museum Associates, Museum of Archaeology, University of Missouri – Columbia (Member, 1979–present; Member, Board of Directors, 1982-92; Chair, Bylaws Committee, 1991-92; Chair, Travel Committee, 1989-90; Chair, Auction Committee, 1985-87, 1991-92; Vice-President and Chair, Budget & Finance Committee, 1985-87; Chair, Educational Programs & Activities Committee, 1983-87; Docent, 1979-94).
- Park Hill (Neighborhood) Improvement Association (Executive Board member, April 2010 – April 2014; President, April 2012 – April 2014; Vice-President, April 2010 – April 2012) (Member, 1979 – present; Executive Board, 1980-89; President, 1986-87, 1984-85; Vice-President (1983-84); Treasurer, 1981-83; Secretary, 1980-81).

Oriental Institute, Chicago, IL (Member, 1979-present; docent and lecturer (“Tutankhamen Revisited”), 1977-78).

HONORS AND AWARDS

- Professional Presented with four awards from the North American Association of Central Cancer Registries (NAACCR) at the 2013 Annual Meeting in Austin, TX, June 2013:
- “With sincere appreciation to Jeannette Jackson-Thompson for your dedicated service as a Standing Committee Chair 2011 – 2013”
 - Merit Award
 - Achievement Award
 - “NAACCR Leadership Award – Jeannette Jackson-Thompson, MSPH, PhD – Awarded June 12, 2013”
- On behalf of the Missouri Cancer Registry, accepted certificate presented by the CDC National Program of Cancer Registries in recognition of achievement of the NPCR Standards for Data Completeness, Timeliness and Quality 2013 (and previous years) National Program of Cancer Registries Cancer Surveillance System
- Advanced National Data Quality and Completeness Program
 - National Data Quality and Completeness Program
 - USCS Publication Standard
- On behalf of the Missouri Cancer Registry, accepted certificate presented by the North American Association of Central Cancer Registries stating that the Missouri Cancer Registry has attained the NAACCR Gold Standard for Quality, Completeness and Timeliness (presented at NAACCR Annual Meeting, Austin, TX (June 2013).
- On behalf of the Missouri Cancer Registry, accepted certificate (3 silver, 9 gold) presented by NAACCR at 12 previous annual meetings (2001 – 20012). MCR has been a NAACCR-certified registry since 2001 (diagnosis year 1998 data); data for diagnosis years 1999-20010 meet the NAACCR gold standard).
- Presented with award “In appreciation for providing 15 years of outstanding leadership and support while serving as the Behavioral Risk Factor Surveillance Coordinator for the State of Missouri” by CDC’s Division of Adult and Community Health/Behavioral Surveillance Branch, Atlanta, Georgia (February 2004).
- Missouri Department of Health and Senior Services Employee of the Month – September 2001
- Graduate Standard Bearer, University of Missouri-Columbia Graduation Ceremony (August 1985)
- National Defense Education Act (NDEA) Fellowship (1969-1972)
- Woodrow Wilson Fellow (1969-1970)
- Undergraduate BA with Honors in Anthropology and General Honors (1969)
- Curators’ Scholarship

PUBLICATIONS (Author, Steering Committee Member and Publications Committee Member for Colorectal Cancer Monograph Project)

The Colorectal Cancer Monograph Project was conceived by a group of researchers in late 2003. Led by CDC, a 12-member Steering Committee was formed to provide guidance to authors and to the five-member Publications Committee. The Publications Committee reviewed articles and sent their comments along with the authors' responses and the hardcopy articles to the journal *Cancer*. The *Cancer* editorial office accepted the reviews of the colorectal cancer Publication Committee and did not perform additional peer review. Eleven articles and a Foreword appear as a supplement, titled *Descriptive Epidemiology of Colorectal Cancer in the United States, 1998-2001, Utilizing Data from the NPCR and SEER Programs*, to the journal *Cancer* (*Cancer* 2006 (Sept 1); 107 (5 Supplement): 1103 - 1204.

1. Reed E, Ahmed F, **Jackson-Thompson J**, Friedman C, German R, Lai S, Wingo P. Foreword: Promoting the use of registry-based national cancer surveillance data for colorectal cancer prevention and control. *Cancer* 2006 (Sept 1); 107(5 Supplement):1101-1102. Published online 12 July 2006 in Wiley InterScience (<http://www.interscience.wiley.com>).

RESEARCH SUPPORT

Ongoing Research Support

Missouri Central Cancer Registry Operations Contract (Jackson-Thompson, J)

MO Dept. of Health & Senior Services (CDC/NPCR)

6/30/13 – 6/29/14

Purpose of the contract: Provides ongoing support for the collection of cancer incidence data, surveillance activities and registry operations to meet the goals and objectives of CDC's National Program of Cancer Registries (NPCR).

Role: Principal Investigator

Contract amount: \$948,317

(Funding source: CDC FY 13 cooperative agreement with DHSS (U58/DP00394-02))

Osteosarcoma Surveillance Study (Jackson-Thompson, J)

RTI International

10/1/13 – 9/30/18

Primary objective of study: Identify newly diagnosed cases of osteosarcoma among men and women 40 years and older, starting 90 days after the first marketed use of Forteo™ and for at least

10 years afterward and determine incident osteosarcoma cases, if any, who have a history of Forteo™ treatment.

Secondary objective: Collect patient information, including demographics and data related to other risk factors for osteosarcoma.

Role: Principal Investigator

Year 1 Contract amount: \$38,589

Medullary Thyroid Carcinoma (MTC) Surveillance Study (Jackson-Thompson, J)

United Biosource Corporation on behalf of Novo Nordisk Inc.

7/1/13 – 6/30/14

Purpose of the agreement: Establish a registry of incident cases of Medullary Thyroid Cancer (MTC) in adults in order to characterize their medical histories and possible risk factors, including history of treatment with their drug VICTOZA (liraglutide).

Role: Principal Investigator

Contract amount: \$30,500

Completed Research Support

Enhancing Cancer Registry Data for Comparative Effectiveness Research (Jackson-Thompson, J)

ICF Macro

12/1/10 – 9/30/13

Purpose of the contract: improve the accuracy and completeness of race and ethnicity data collection through innovative, yet practical, approaches that may be applied to central cancer registries funded by the Centers of Disease Control and Prevention.

Role: Principal Investigator

Contract amount: \$107,275

Enhancing Cancer Registry Data for Comparative Effectiveness Research (Jackson-Thompson, J)

ICF Macro

12/1/10 – 9/30/13

Purpose of the contract: Implement electronic reporting, using the established standard, from primary care physicians and targeted specialists to the MCR.

Role: Principal Investigator

Contract amount: \$675,000

Osteosarcoma Surveillance Study (Jackson-Thompson, J)

RTI International

3/01/10 – 9/30/13

Purpose: The primary objective of this study is to identify newly diagnosed cases of osteosarcoma among men and women 40 years and older, starting 90 days after the first marketed use of Forteo™ and for at least 10 years afterward, and determine incident osteosarcoma cases, if any, who have a history of Forteo™ treatment. A secondary objective is to collect patient information, including demographics and data related to other risk factors for osteosarcoma.

Role: Principal Investigator

Contract amount: \$111,672

Health and Environment Exposure (HEER) Research Study (McElroy, J – American Cancer Society)

Memorandum of Understanding between HMI and MURR

7/25/11 – 7/24/13

Purpose: Identify eligible cases for a population-based case-control study focusing on endometrial cancer and obtain informed consent.

Role: Supervise MCR-ARC activities

Contract amount: \$30,762

Medullary Thyroid Carcinoma (MTC) Surveillance Study (Jackson-Thompson, J)

United Biosource Corporation on behalf of Novo Nordisk Inc.

4/11/12 – 6/30/13

Purpose of the agreement: Establish a registry of incident cases of Medullary Thyroid Cancer (MTC) in adults in order to characterize their medical histories and possible risk factors, including history of treatment with their drug VICTOZA (liraglutide).

Role: Principal Investigator

Contract amount: \$30,000

Community-based Participatory Research (CBPR) on Breast Cancer (Jackson-Thompson, J)

Washington University in St. Louis

2/20/12 – 6/30/13

Purpose: Improve services to African-American women diagnosed with breast cancer and living in St.

- Louis, MO
 Role: Principal Investigator Contract amount: \$47,000
- Exercise and Nutrition to Enhance Recovery and Good Health for You (Jackson-Thompson, J)
 Washington University in St. Louis 2/20/12 – 6/30/13
 Purpose: Identify breast cancer survivors for a randomized controlled trial on weight loss among breast cancer survivors.
- Osteosarcoma Surveillance Study (Jackson-Thompson, J)
 RTI International 3/01/10 – 9/30/13
 Purpose: The primary objective of this study is to identify newly diagnosed cases of osteosarcoma among men and women 40 years and older, starting 90 days after the first marketed use of Forteo™ and for at least 10 years afterward, and determine incident osteosarcoma cases, if any, who have a history of Forteo™ treatment. A secondary objective is to collect patient information, including demographics and data related to other risk factors for osteosarcoma.
 Role: Principal Investigator Contract amount: \$111,672
- Missouri Central Cancer Registry Operations Contract (Jackson-Thompson, J)
 MO Dept. of Health & Senior Services (CDC/NPCR) 6/30/12 – 6/29/13
 Purpose of the contract: Provides ongoing support for the collection of cancer incidence data, surveillance activities and registry operations to meet the goals and objectives of CDC's National Program of Cancer Registries (NPCR).
 Role: Principal Investigator Contract amount: \$948,317
 (Funding source: CDC FY 12 cooperative agreement with DHSS (U58/DP00394-01))
- Missouri Central Cancer Registry Operations Contract (Jackson-Thompson, J)
 MO Dept. of Health & Senior Services (CDC/NPCR) 6/30/11 – 6/29/12
 Purpose of the contract: Provides ongoing support for the collection of cancer incidence data, surveillance activities and registry operations to meet the goals and objectives of CDC's National Program of Cancer Registries (NPCR).
 Role: Principal Investigator Contract amount: \$1,235,108
 (Funding source: CDC FY 11 cooperative agreement with DHSS (U58 DP000820-05)).
- Missouri Central Cancer Registry Operations Contract (Jackson-Thompson, J)
 MO Dept. of Health & Senior Services (CDC/NPCR) 6/30/09 – 6/29/11
 Purpose of the contract: Provides ongoing support for the collection of cancer incidence data, surveillance activities and registry operations to meet the goals and objectives of CDC's National Program of Cancer Registries (NPCR).
 Role: Principal Investigator Contract amount: \$2,743,661
 (Funding source: CDC FY 09 cooperative agreement with DHSS (U58 DP000820-03&04))
- Research Contract - Breast Cancer (Jackson-Thompson, J)
 Washington University (WU) School of Medicine (Schootman, M) 10/1/05 – 6/30/10
 Purpose (subcontract with WU for a National Cancer Institute RO1 contract, M. Schootman, Principal Investigator): Examine neighborhood impact on quality of life for breast cancer survivors. Women with breast cancer are being interviewed at one year post diagnosis. Women without breast cancer living in the same neighborhoods are being interviewed simultaneously. Both groups are being re-interviewed one year after initial interview. Comparisons between groups and over time will be made.
 Role: Principal Investigator Contract amount: 10/1/05 – 9/30/08: \$409,481; total: \$899,159
 (NCI primary contract with Washington University: \$1,800,000 for 5-year period)

Missouri Central Cancer Registry Operations Contract (Jackson-Thompson, J)
 MO Dept. of Health & Senior Services (CDC/NPCR) 6/30/08 – 6/29/09
 Purpose of the contract: Provides ongoing support for the collection of cancer incidence data, surveillance activities and registry operations to meet the goals and objectives of CDC's National Program of Cancer Registries (NPCR).
 Role: Principal Investigator Contract amount: \$1,275,353.
 (Funding source: CDC FY 08 cooperative agreement with DHSS (U58 DP000820-02).

Chart Abstraction Services Contract (Jackson-Thompson, J)
 MO Dept. of Health & Senior Services (CDC/FAS) 30/9/07 – 29/10/08
 Purpose: Initially, a service contract to abstract medical records of children with fetal alcohol syndrome (FAS). In early 2008, MU assumed responsibility for data submissions to CDC and for management of the database.
 Role: Principal Investigator Contract amount: \$69,601

Missouri Central Cancer Registry Operations Contract (Jackson-Thompson, J)
 MO Dept. of Health & Senior Services (CDC/NPCR) 6/30/07 – 6/29/08
 Purpose of the contract: Provides ongoing support for the collection of cancer incidence data, surveillance activities and registry operations to meet the goals and objectives of CDC's National Program of Cancer Registries (NPCR).
 Role: Principal Investigator Contract amount: \$1,275,353.
 (Funding source: CDC FY 08 cooperative agreement with DHSS (U58 DP000820-01).

Surveillance Contract (Jackson-Thompson, J) 7/1/06 – 12/30/07
 MO Dept. of Health & Senior Services (CDC/NPCR)
 Purpose of the contract: Provide ongoing support for surveillance activities associated with the state-mandated Missouri Cancer Registry as well as meet the goals and objectives of CDC's National Program of Cancer Registries (NPCR).
 Role: Principal Investigator Contract amount: \$1,564,839.
 (Funding source: CDC FY 07 cooperative agreement with DHSS (U55/CCU721904-05) included base contract (\$1,230,460) and two amendments (\$312,498 and \$21,881, respectively).
Note: The contract end date of 6/30/07 was modified to reflect a no-cost extension through the end of the calendar year.

Chart Abstraction Services Contract (Jackson-Thompson, J)
 MO Dept. of Health & Senior Services (CDC/FAS) 1/2/06 – 9/29/07
 Purpose: Service contract to abstract medical records of children with fetal alcohol syndrome (FAS).
 Role: Principal Investigator Contract amount: \$87,495

NAACCR Contract (Jackson-Thompson, J)
 North American Association of Central Cancer Registries 3/1/06 – 12/31/06
 Purpose: Determine the utility of using CINA data to describe geographic variations in second primary breast cancer.
 Role: Principal Investigator Contract amount: \$9,983

Surveillance Contract (Jackson-Thompson, J)
 MO Dept. of Health & Senior Services (CDC/NPCR) 7/1/05 – 6/30/06
 Purpose: Provide ongoing support for surveillance activities associated with the state-mandated Missouri Cancer Registry as well as meet the goals and objectives of CDC's National Program of Cancer Registries (NPCR).

Role: Principal Investigator Contract amount: \$1,453,993 including amendment
(Funding source: CDC FY 06 cooperative agreement with DHSS (U55/CCU721904-04) of
\$1,770,752)

RAF Agreement (unfunded project to beta test data use)
Centers for Disease Control and Prevention – Scientific Work Group 9/20/05 – 12/31/07
Purposes of agreement: 1) to examine cancer incidence data from two perspectives (answering
research questions and posing a question about coding); and 2) to beta test procedures for approving
release of CDC’s Restricted Access File (RAF) of high quality cancer incidence data to qualified
researchers (during the beta test phase, only members of CDC’s Scientific Work Group were
eligible to apply).

Role: Principal Investigator

Surveillance Contract (Brown, G)
MO Dept. of Health & Senior Services (CDC/NPCR) 7/1/02 – 6/30/05
Purpose: Provide ongoing support for surveillance activities associated with the state-mandated
Missouri Cancer Registry and with the Missouri Behavioral Risk Factor Surveillance System
(BRFSS) as well as meet the goals and objectives of CDC’s National Program of Cancer Registries
(NPCR) and Behavioral Risk Factor Surveillance (BRFS).

Role: Co-Principal Investigator; Missouri State BRFSS Coordinator (until 2004)
Contract amount: \$3,739,337 including amendments
(Funding sources: CDC cooperative agreements with DHSS (U55/CCU721904-01 through -03)

U58/CCU700950 (Jackson-Thompson, J)
CDC – Behavioral Risk Factor Surveillance 9/1/99 – 8/30/02
Purpose of cooperative agreement: Collection, analysis, dissemination and utilization of annual
behavioral risk factor prevalence data for the state of Missouri and seven regions within the state.
Data were collected through random-digit-dialed telephone interviews with adult (18 years of age or
older) non-institutionalized residents of the state; the sampling frame was stratified into seven
regions (600 completed interviews/region). The infrastructure provided by this project provided the
basis for a variety of special BRFSS-based special surveys targeting specific populations (e.g.,
inner-city and rural African Americans, older adults, etc.).

Role: Principal Investigator/Project Director; Missouri State BRFSS Coordinator

U751/CCU710667-01 to -06 (Jackson-Thompson, J)
CDC – National Program of Cancer Registries 10/1/95 – 6/30/02

Purpose of cooperative agreement: Fund the collection, analysis, dissemination and utilization of
annual cancer incidence data in compliance with Missouri statute (192.650-192.657 RSMo) &
requirements of the National Program of Cancer Registries (NPCR).

Role: Principal Investigator/Project Director (from 1 May 1996 through 31 July 2002)
(CDC Cooperative agreement with DHSS total in May 1996 was \$160,000; award ending 30 June
2002 was \$1,570,900)

U58/CCU700950 -11 to -15
CDC – Behavioral Risk Factor Surveillance 10/1/94 – 9/30/99
Purpose of cooperative agreements (5-year funding cycles): Collection, analysis, dissemination and
utilization of annual behavioral risk factor prevalence data for the state of Missouri. Data were
collected through random-digit-dialed telephone interviews with adult (18 years of age or older)
non-institutionalized residents of the state; the sampling frame was stratified into seven regions (600
completed interviews/region). The infrastructure provided by this project provided the basis for a

variety of special BRFSS-based special surveys targeting specific populations (e.g., inner-city and rural African Americans, older adults, etc.).

Role: Principal Investigator/Project Director; Missouri State BRFSS Coordinator
(CDC Cooperative agreement with DHSS – amount of award not available)

U58/CCU699859 -6 to -10

10/1/89 – 9/30/94

CDC – Behavioral Risk Factor Surveillance

Purpose of cooperative agreements (5-year funding cycles): Collection, analysis, dissemination and utilization of annual behavioral risk factor prevalence data for the state of Missouri. Data were collected through random-digit-dialed (RDD) telephone interviews with adult (18 years of age or older) non-institutionalized residents of the state; the sampling frame was stratified into seven regions (600 completed interviews/region). The infrastructure provided by this project provided the basis for a variety of special BRFSS-based special surveys targeting specific populations (e.g., inner-city and rural African Americans, older adults, etc.).

Role: Initially, Project Manager, then Principal Investigator/Project Director; Missouri State BRFSS Coordinator.

(CDC Cooperative agreement with DHSS – amount of award not available)

FUNDING AUTHORIZED

Three proposals prepared at request of Missouri Department of Health & Senior Services (DHSS), ranging from \$75,000 to \$1.3 million. DHSS put forward the \$1.3 million proposal to the State Legislature. Governor Nixon signed HB 21 on 28 August 2009; it includes authorization for \$1.3 million in Stimulus funds for expansion of the Missouri Cancer Registry (collect additional treatment data; identify missing cases; and develop infrastructure to become a survival registry).

At request of DHSS, a New Decision Item (NDI) was prepared in mid-2009 for ongoing support for MCR to continue expanded data collection and become a survival registry. If approved, this would provide \$1.9 million annually for ongoing support for MCR. [Note: Due to the State's budget situation, this proposal has not been put forward.]
