

Mary Faller, MD '98
President, MU Medical Alumni Organization

Dr. Mary Faller earned a bachelor's degree in chemistry from the University of Missouri and graduated cum laude from the MU School of Medicine. She continued her medical training with a transitional internship at Mercy St. Louis, anesthesiology residency at Ohio State University Medical Center and a pediatric anesthesiology fellowship at Columbus Children's Hospital, where she continued as an attending anesthesiologist for two years. She returned to St. Louis in 2005, joining Western Anesthesia Associates, Inc. (WAAI) as an attending anesthesiologist at Mercy St. Louis. She was promoted to partner in 2007 and is currently serving on the WAAI

board of directors. She is a board-certified diplomat in anesthesiology and pediatric anesthesiology with the American Board of Anesthesiology, and a past president of the St. Louis Society of Anesthesiologists.
