One or more annual scholarship awards shall be given to students enrolled in the School of Medicine. Preference shall be given to students from rural areas of Missouri or from towns with populations of 7,500 people or less. Additional preference shall be given to students from Lafayette County, Missouri. Award may be renewed for an additional three years, for a total of four years, if the recipient is making satisfactory progress toward completion of his/her medical degree.

Diane E. Carr and George P. Carr Scholarship Fund

One or more annual awards shall be made to Pre-Med or Medical Student at the University of Missouri-Columbia. First preference shall be given to students who graduated from Helias High School in Jefferson City, Missouri.

University of Missouri School of Medicine Scholarships

Doctor Thomas E. Ferrell, Jr. Memorial Scholarship

One or more annual awards shall be made to full-time students enrolled in the School of Medicine. The selected recipients shall have a sense of compassion and caring, with a special sensitivity to the needs of the community, his/her fellow students, and his/her patients, which are all characteristics which Doctor Ferrell possessed. Preference shall be given to Missouri residents, with further preference given to students who plan to provide medical care in a rural setting through the practice of family medicine.

Donald B. Harrison Memorial Scholarship Fund

One or more annual awards shall be granted to first year medical students enrolled in the MU School of Medicine. Awards shall be granted on the basis of financial need and satisfactory academic progress.

Donald I. Serot, M.D. Medical Scholarship Endowment

One or more annual awards shall be made to full-time students enrolled in the School of Medicine. Preference shall be given to students with an interest in orthopaedic surgery.

Donald K. Wantuck, M.D. Scholarship Fund

To provide one or more annual awards to students in the School of Medicine.

Donald L. Baker, M.D. Scholarship Fund

An annual award(s), based on financial need, shall be made to an M-3 or M-4 medical student(s). The student(s) must have committed to enter the specialty of family practice. First preference shall be given to a student(s) from Franklin, Warren or Gasconade counties in the State of Missouri. If there are no students from the above referenced counties who qualify for the award, second preference shall be given to student(s) from Washington, Crawford, Osage, Maries, Montgomery or Lincoln counties in the State of Missouri. In the event there are no qualified medical students from the counties named in items (2) and (3) above, then the award may be granted to a student(s) with financial need and specializing in family practice from any other rural county in the State of Missouri.

Donald P. and Harriet S. Cento Scholarship Endowment

One or more annual awards shall be given to students in the MU School of Medicine. Preference shall be given to M-3 or M-4 students, with additional preference given to students from Southeast Missouri.

Dorothy Smith Medical Student Scholarship Fund

One or more annual scholarship awards shall be given to a second-year student enrolled in the School of Medicine. Recipients must show a demonstrated financial need as determined by the Office of Student Financial Aid. First preference shall be given to students from a rural area of Missouri and to those students who have exhibited an interest in, or an orientation for, primary care. The award is renewable based on the students' academic success and continued financial need.

Doud Scholarship

To be given annually to one or more applicants of Irish descent to totally or partially support the recipient's actual attendance at the MU School of Medicine for study leading to the degree of doctor of medicine under conditions set up by MU in accordance with acceptable modern standards of supervising scholarship and the purposes of this bequest. It shall be the responsibility of the recipients of the scholarship award to provide such proof as requested of Irish descendency.

University of Missouri School of Medicine Scholarships

Dr. Blake S. Talbot Endowed Scholarship Fund

One or more annual awards shall be given to students enrolled in the MU School of Medicine. Preference shall be given to students who are specializing in Family and Community Medicine and interested in rural practice.

Dr. E.L. Priest Medical Scholarship Fund

Annual scholarship awards for worthy students attending the MU School of Medicine. Financial need need not be taken into consideration. At least one scholarship with a stipend of \$750.00 shall be awarded each year. The scholarship may be awarded to the same student for more than one year. If the income in any year should be in excess of \$750.00 the University may add the same to the corpus, or may use it for increasing the stipend of the scholarship, or for awarding additional scholarships in any amount.

Dr. J.C. Parrish Memorial Medical Scholarship Fund

Scholarship award to a junior in the four-year School of Medicine. Recipient must meet the standards of scholarship, moral character, and financial need as determined by the Committee on Scholarships and Awards of the School of Medicine.

Dr. Judy Wells Memorial Scholarship Endowment Fund

One or more annual scholarship awards shall be given to a first-year medical student enrolled in the School of Medicine with a financial need, as determined by the School of Medicine. First preference shall be given to a former MU student athlete. Secondary preference shall be given to a minority student. If this preference ever becomes unenforceable under the law, the award shall be made available to all students who meet the criteria for the award except for race. Additional preference shall be given to a non-traditional student (i.e., someone that did not seek medical school as a first career, or didn't come to medical school directly from an undergraduate degree).

Dr. Michael C. Hosokawa Medical School Scholarship

One or more annual scholarship awards shall be given to students enrolled in the School of Medicine. Recipient must show a demonstrated financial need as determined by the School of Medicine financial aid office.

Dr. O. K. Megee Memorial Scholarship Fund

One or more annual awards shall be made to students enrolled in the School of Medicine who have exhibited academic achievement and have financial need.

Dr. Patricia E. Wetherill Fund for Primary Care Medicine Scholarships & Public Health Education and Outreach

Seventy-five percent (75%) of the annual distribution shall be used to provide scholarship awards: One or more annual awards shall be given to students enrolled in the School of Medicine with exceptional financial need. First preference shall be given to students who intend careers in primary care. Additional preference shall be given to Missouri residents or veterans.

Dr. Rachel Brown Medical Student Scholarship

One or more annual scholarship awards shall be given to students enrolled in the School of Medicine. Recipient must show a demonstrated financial need as determined by the Office of Student Financial Aid.

Dr. Robert N. McCallum Cornerstone Endowment

To be used in one of the following ways: 1. To recognize a faculty or staff member who reflects those characteristics which Dr. McCallum has modeled as set forth above. a.) Selection of recipients will be made by a vote of the fourth year medical class. b.) Recipient must receive at least 2/3 of the vote to receive the award. 2. To provide financial assistance to a first or second year medical student who is in need of additional resources to address mental health needs. a.) Preference shall be given, in the following order, to those pursuing careers in Child and Adolescent Psychiatry, Pediatrics or Family and Community Medicine. b.) Selection of recipients shall be made by the Associate Dean for Student Programs or the Dean of the MU School of Medicine, or by a committee or persons authorized to act on behalf of the Dean. Awards shall be made in accord with accepted rules and regulations within the MU Office of Student Financial Aid.

Dr. Russell and Mrs. Terry Tackett Scholarship Endowment

To provide one or more annual awards to students in the School of Medicine. Selected recipients must have a demonstrated financial need.

Dr. Sally Hubbard Trust Scholarship

The fund shall provide four annual scholarship awards to students enrolled in the School of Medicine. The four scholarship awards shall be given annually in the amount of \$2,425 each. Recipients must have a minimum grade point average of 3.0 on a 4.0 scale. Selection of recipients and pertinent details, including number and amount of awards shall be made by the Dean of the School of Medicine, or by a committee or persons authorized to act on behalf of the Dean. Awards shall be made in accordance with established rules and regulations within the University of Missouri - Columbia Office of Student Financial Aid.

Dr. Samuel P.W. Black Prize for Excellence in Neurosurgery

Shall provide one or more annual prizes to outstanding students in the School of Medicine who have exhibited excellence in the field of Neurosurgery.

Dr. Sri Gavini Memorial Scholarship Fund

One or more annual scholarship awards shall be given to students enrolled in the School of Medicine. First preference shall be given to a student who is going into primary care (which includes the areas of internal medicine, pediatrics, and/or family and community medicine). Dr. Thomas P. and Karen E. Sweeney Medical School Scholarship Endowment

One or more annual awards will be given to students enrolled in the School of Medicine with a high demonstrated financial need.

Dr. William and Frances Washington Medical Scholarship

One or more annual scholarship awards shall be given to students enrolled in the School of Medicine. Recipients shall have a greater than average financial need and be in good academic standing. Recipient must exhibit exceptional interpersonal communication skills which support the candidate's continuous growth towards becoming a sensitive care provider, peer recognized teacher, and/or wise clinical investigator.

University of Missouri School of Medicine Scholarships

Drs. Donald F. and Claudia L. Busiek Scholarship Fund

One or more annual awards shall be given to students in the MU School of Medicine. First priority shall be given to students with a demonstrated financial need. Second priority shall be given to students who have exhibited an interest in the lower income-producing specialties (such as Family Practice, Pediatrics, etc.). The third priority shall be given to those students who have a desire to practice in underserved geographic areas.

Drs. Richard and Jean Holt Medical Student Ethics Essay Award

One or more annual awards shall be given to students enrolled in the School of Medicine. The Holt Ethics Essay Award will be presented annually to the medical student whose essay on an ethical issue in medicine is determined to be of the highest quality. Criteria for selection, in addition to others subsequently developed, shall include: originality of concept/topic, composition, clarity of arguments posed, and application to the field of bioethics and the practice of medicine. Essays will be limited to 1000 words.

Edward and Rita Plowman Medical School Endowment

One or more annual scholarship awards shall be given to students who are Missouri residents and enrolled in the School of Medicine. Recipients must be a second year (M-2) student, or above, to receive the award. First preference shall be given to students from the Northeast Missouri area. For purposes of this award, the Northeast Missouri area shall be defined as the following counties: Marion, Ralls, Pike, Monroe, Shelby, Clark and Lewis. Second preference shall be given to students from a rural Missouri town. For purposes of this award, a rural Missouri town shall be defined as having a population of 15,000 or less.

Edward Baumhardt Scholarship Fund

One or more annual scholarship awards, to be known as the EDWARD BAUMHARDT SCHOLARSHIP, shall be given to students enrolled in the MU School of Medicine.

Edward Baumhardt Scholarship Fund

A \$2000 award shall be made, every other year, beginning in 2016, to the student or resident who writes the best paper, as judged by the designee of the Dean of the MU School of Medicine, on the subject of schizophrenia or a related subject, until such time as it is decided to discontinue the award under the terms of the Decree.

Elmer C. Peper Scholarship Fund

Annual scholarship award to worthy students in the MU School of Medicine who are ambitious to receive a medical education, and who, without financial assistance, would be unable to pursue said Medical School education. Recipients shall be residents of the State of Missouri.

Fischer Family Endowed Scholarship Fund

To provide one or more annual scholarship awards to students in the MU School of Medicine.

Floyd A. Barnett, M.D. Scholarship Fund

One or more annual awards shall be made to students with a demonstrated financial need enrolled in the School of Medicine at MU.

Francis Families Foundation Award in Anesthesiology

An annual award shall be made to a graduating medical student who has exhibited excellence in anesthesiology

University of Missouri School of Medicine Scholarships

Whenever possible or acceptable, the recipients shall be a resident of one of the following State of Missouri Counties (in order of preference): Randolph, Chariton, Carroll, Macon, Monroe, or Saline.

University of Missouri School of Medicine Scholarships

Guy Eastman Brown II and Ellen Tarshis Brown Scholarship Fund	<i>One or more annual scholarship awards shall be given to students enrolled in the School of Medicine, with preference given to under-represented minorities with financial need. It is the donors' intent that the award be given to a first-year student and renewed for an additional three years (four years total) as long as the student is making satisfactory academic progress. The Association of American Medical Colleges (AAMC) defines underrepresented minorities as those racial and ethnic populations that are underrepresented in the medical professions relative to their numbers in the general population: blacks, Native Americans (that is American Indians, Alaska Natives, and Native Hawaiians), Mexican Americans, and mainland Puerto Ricans. If it is ever legally mandated that such minority scholarships are illegal, the fund shall be available to all students in the School of Medicine who meet the criteria of the fund.</i>
Harold and Elfriede Tachman Memorial Award	<i>Awarded to 4th year student demonstrating excellence in patient care. Honors Convocation Award.</i>
Harry G. Hardt, MD Scholarship	<i>Needy medical students from Ozark County, Missouri, or needy students coming from low-population towns (less than 15,000) in south central or southwestern Missouri.</i>
Harry Kirk Waggoner Memorial Medical Scholarship Fund	<i>Shall be used to provide scholarships for students studying medicine at any of the campuses of the University of Missouri. Said scholarship fund shall be known as the "Harry Kirk Waggoner Memorial Medical Scholarship Fund." Fund is administered by Financial Aid since it is U-Wide.</i>
Harvey F. Howitt, M.D. Memorial Scholarship	<i>One or more annual awards shall be made to third-year medical students in the School of Medicine. The recipient(s) shall have a sense of compassion, with a special sensitivity to the needs of the community, his/her (their) fellow students, and his/her (their) patients. It is assumed that the recipient will be American born, have high potential for successful achievement in medicine and a high level of academic achievement.</i>
Helen Mae Spiese Medical Endowment Fund	<i>Shall be used to provide scholarship awards to students in the School of Medicine who have pressing financial need.</i>
Holt Medical Student Award Fund	<i>Medical Student annual award given at Commencement to the graduating student who has exhibited excellent leadership skills.</i>
Horace E. Thomas, M.D. and Helen Yeager Thomas, M.D. Medical Student Scholarship and Loan Fund	<i>To provide scholarships and/or loans to students enrolled in the School of Medicine who exhibit academic achievement and have a demonstrated financial need.</i>
Howard A. Rusk Memorial Scholarship Fund	<i>One or more annual awards shall be made to full-time medical students in the School of Medicine at MU.</i>
J. Ned Smith, M.D. Scholarship Fund	<i>One or more annual awards shall be given to students enrolled in the University of Missouri-Columbia School of Medicine. Selected recipients shall be second year medical students (M-2) and must have a demonstrated financial need. Preference shall be given to students from a rural area, specifically from towns of less than 100,000.</i>

University of Missouri School of Medicine Scholarships

Jamaican Medical School Rotation Fund

One or more awards of a minimum of \$5,000 shall be made to medical school students to allow them to participate in medical mission trips that are pre-approved and organized by the MU School of Medicine. First preference for location will be given to the Falmouth Health Clinic of Falmouth, Jamaica. Should the Falmouth Health Clinic not be available or suitable for a medical rotation in any given year, a different location can be chosen after consultation with the donors. The donors have approved paying expenses from this endowment for costs incurred for a faculty member to escort the students. Students shall be selected through an application process provided by the MU School of Medicine.

James A. Esterly, M.D. Endowment Fund

To provide one or more annual awards to full-time students in the medical profession.

James and Nora Smalley International Medicine Program

One or more annual awards, to support an international clinical rotation experience, shall be made to full-time medical students enrolled in the University of Missouri School of Medicine at Columbia, Missouri.

James L. Chapel Scholarship Fund

One or more annual awards shall be granted to students enrolled in the School of Medicine at MU who are in their second, third or fourth year of medical studies, have demonstrated financial need, and have shown some degree of achievement.

James N. Haddock Medical Scholarship Fund

One or more annual awards shall be made to students in the School of Medicine. Selected recipients must have a demonstrated financial need and have exhibited academic excellence.

James Weiss Award for Excellence in Psychiatry

Gifts in support awards for the medical student of the year in Psychiatry

Jerome J. McCullough, M.D. Memorial Fund

Shall be used to provide scholarship awards to full-time students in the School of Medicine, with preference being given to Boone County residents.

Johanson Fund

One or more annual awards shall be made to full-time students enrolled in the School of Medicine, Department of Child Health. Recipients shall exhibit academic achievement, have a research interest in medical/pediatrics and have a demonstrated financial need. It is the donors' intention that this be a meaningful award, and request that larger awards be granted rather than a number of small awards.

John A. Mihalevich, Jr., M.D. and Susan P. Mihalevich Medical Student Scholarship

One or more annual scholarship awards shall be given to students enrolled in the School of Medicine. Preference shall be given to a fourth year medical student interested in primary care and with a demonstrated financial need.

John and Ruth Musselman Medical Scholarship Fund

An annual scholarship to assist selected students in meeting the financial costs and necessary expenses of attending medical school, as follows: The scholarship may be for one or more years. In selecting recipients for a scholarship, the University shall consider, among other factors, the individuals prior scholastic record, community service, extra scholastic activities, other available resources, need of financial assistance, and reputation and character.

University of Missouri School of Medicine Scholarships

John Aure Buesseler, M.D., Award for Excellence in Ophthalmology Fund

One or more annual awards shall be made to senior medical students enrolled in the MU School of Medicine who have demonstrated academic excellence in the field of Ophthalmology. These awards shall be named "The John Aure Buesseler, M.D., Student Award for Excellence in Ophthalmology" and shall be accompanied by a suitable and official certificate inscribed with the name of the award and with the recipients name. Selection of recipients shall be by the majority of the Department of Ophthalmology and the Institute of Ophthalmology of the MU School of Medicine and Medical Center.

John F. Doronzo, PhD Memorial Endowment

One or more annual awards shall be made to full-time student(s) enrolled in the School of Medicine with an interest in being a patient advocate and researcher in the area of brain injury services.

John K. Holcomb, M.D. Scholarship Endowment

One or more annual scholarship awards shall be given to 3rd or 4th year medical students enrolled in the School of Medicine. Preference shall be given to students from the Southeast Missouri Area who is planning on doing his/her residency in Family Practice.

John M. McGrath, MD Scholarship

One or more annual awards shall be made to a student in the MU School of Medicine, with preference given to those students who rank in the upper 25% of the entering class and is a US citizen. The award is renewable if the recipient maintains a record of satisfactory academic achievement.

John T. Crowe, M.D., Family Practice Scholarship

One or more annual awards shall be made to full time students in the School of Medicine who are going into family practice, with a preference given to students from Southeast Missouri.

John W. Kennedy, M.D. Medical Scholarship Fund

To provide one or more annual scholarship awards to students in the School of Medicine.

John Wayne Gattshall Medical Book Endowment

To provide awards to needy, senior medical students for the purchase of medical texts.

Joseph E. Flynn, M.D. and Margaret Alberi Flynn, Ph.D Medical Student Scholarship

To provide one or more annual awards to students in the School of Medicine. Selected recipients shall demonstrate the same admirable characteristics of Dr. Joseph E. Flynn, which include a compassion for patients, a dedication to life-long learning in medicine and a commitment to the profession of medicine.

Joseph J. Hurley, M.D. Endowed Scholarship Fund

One or more annual scholarship awards shall be given to 3rd year medical students (M-3) enrolled in the School of Medicine. Academic excellence shall not be a consideration for award. It is the donor's wish that awards be used to assist the more "average" student.

University of Missouri School of Medicine Scholarships

K.S. Bharathi Medical Scholarship

The fund shall provide one or more scholarship awards to students enrolled in School of Medicine. - Academic Achievement: Selection shall be based upon academic achievement. - Other: Annual scholarship in honor of K. S. Bharathi. Preference should be given to a 4th year, female medical student, who has shown a high level of academic achievement through grades, clinicals, etc. Selection of recipients and pertinent details, including number and amount of awards shall be made by the Dean of the School of Medicine, or by a committee or persons authorized to act on behalf of the Dean. Awards shall be made in accordance with established rules and regulations within the University of Missouri-Columbia Office of Student Financial Aid

Karl J. Hasik Endowed Scholarship Fund

One or more annual awards shall be given to students in the MU School of Medicine. First priority shall be given to students with a demonstrated financial need.

Kenneth F. Scott, Jr. M. D. and Susan K. Scott Medical Student Scholarship

One or more annual awards to students enrolled in the School of Medicine.

Lawson E. Miller, Jr. and Elsie Cross Miller Memorial Scholarship and Loan Fund

"To be used for "scholarships or student loans in the School of Medicine at the University of Missouri Columbia."

Lee G. Cochran and Katherine Hinchey Cochran Memorial Fund

An award, based on financial need, shall be made to a M-1 medical student, with the award to be renewable to the recipient upon satisfactory progress for a period of up to four years. The award shall be directed to a student who intends to study primary care. First preference shall be given to students from Cape Girardeau County, Missouri; second preference to students from Southeast Missouri; third preference to any M-1 medical student. For purposes of this document, Southeast Missouri is defined as the following Missouri counties: Bollinger, Butler, Carter, Dunklin, Iron, Madison, Mississippi, New Madrid, Pemiscott, Perry, Reynolds, Ripley, St. Francois, Ste. Genevieve, Scott, Stoddard, Washington, and Wayne.

Lenard L. Politte, M.D., and Mary Lu Politte Scholarship Endowment Fund

One or more annual awards will be given to students enrolled in the School of Medicine with a high demonstrated financial need. First preference shall be given to students with a high demonstrated financial need from the following Missouri Counties: Saint Francois, Saint Genevieve, Iron, Madison, and Washington.

Lester R. Bryant Rural Scholarship

Annual award shall be made to medical students who have completed the Rural Track program.

Lillie Graham Medical Scholarship Endowment Fund

To provide scholarship awards to minority students in the School of Medicine who graduated from a high school in the St. Louis Metropolitan area (excluding Illinois). The award may be renewed for a maximum of four (4) years as long as the recipient continues to meet the criteria for the award. The Association of American Medical Colleges (AAMC) defines underrepresented minorities as those racial and ethnic populations that are underrepresented in the medical professions relative to their numbers in the general population: blacks, Native Americans (that is American Indians, Alaska Natives, and Native Hawaiians), Mexican Americans, and mainland Puerto Ricans. If it is ever legally mandated that such minority scholarships are illegal, the fund shall be available to all students in the School of Medicine to meet the criteria of the fund. Selected recipients shall have a demonstrated financial need. In case of a tie for the award, the student with the greatest need shall be selected and academic performance shall not be a consideration.

Littlejohn Memorial Scholarship Endowment Fund

One or more annual awards shall be made to students enrolled in the MU School of Medicine. Selected recipients must exhibit academic achievement and financial need. Preference shall be given to a student from Lafayette County, Missouri. If no one qualifies from that County, second preference shall be to a student from a rural area who is interested in Family Practice.

Louis A. Allen, M.D. Medical School Scholarship Endowment

To provide one or more annual awards to students in the School of Medicine who have a demonstrated financial need.

Loyd Meservey Medical Scholarship Fund

One or more annual awards shall be made to students in the School of Medicine. Selected recipients shall have a demonstrated financial need.

Maria L. Evans, M.D. "Say You Will" Scholarship Endowment

One or more annual awards shall be made to full-time student(s) when they matriculate into medical school. Selected recipient(s) must be 25 years of age or older and be M3's otherwise with unique personal characteristics which influenced their decision to return to school, or to begin their education at an older age, and to seek the degree of medical doctor. Preference should be given to individuals with outstanding financial need.

Martha Conner Lucas Endowment

To provide scholarship support to students with financial need in the School of Medicine at the University of Missouri - Columbia. It is the donor's wish that the primary emphasis in selecting a recipient be students that have stated intentions of specializing in and/or researching Alzheimer's or dementia-related care. If no students in that field of study qualify for the scholarship award, then it may be open to students studying in geriatrics. Approved expenditures may include tuition, textbooks, training materials, and living expenses.

University of Missouri School of Medicine Scholarships

Marvin W. and Lilith E. Valle Scholarship Fund

One or more annual scholarships shall be made to students in the MU School of Medicine. First preference shall be given to African-American and/or Hispanic students. If this preference ever becomes unenforceable due to federal regulations, the award shall be made available to all students in the School of Medicine. If a student continues in good standing, the award is renewable to the recipient for an additional three years, for a total four-year award. When that recipient has completed the four-year period, a new recipient shall be selected for the scholarship award with the same renewal option.

Maxime A. (Jagels) Wharton and Lee Lewis Wharton Endowment Fund (Medicine)

One or more annual scholarship awards shall be made to students enrolled in the School of Medicine.

MD-PhD Program Stipend

Living stipend to medical students enrolled in the MD-PhD program.

MD-PhD Tuition Scholarship

Tuition and fees scholarship to medical students enrolled in the MD-PhD program

Medical Dean Award

Academic achievement award given at Commencement to the top graduating student of his or her class.

Medical General Scholarship

Scholarships granted at the discretion of the Dean.

Medical Minority Scholarship

Scholarships granted to under-represented in medicine minority students at the discretion of the Dean.

Medical School Development Gifts Fund

Unrestricted gifts

Medical School Foundation Board of Directors Scholarship

One or more annual awards shall be made to a student in the MU School of Medicine.

Medical School Foundation Scholarship

One or more annual awards shall be made to a student in the MU School of Medicine.

Medical School Minority Scholarship

One or more annual awards shall be made to promising highly qualified minority medical students enrolled in any year of training at the MU School of Medicine. Minority students are defined by the following underrepresented categories: Black, American Indian or Alaskan Native, Hispanic-Mexican American or Chicano, and Hispanic-Puerto Rican (Mainland). Recipients must be a American citizens or hold permanent residency status, must be making satisfactory academic progress as certified by the Associate Dean of Students, and must show evidence of financial need as determined by the School of Medicine Scholarship/Loan Application and information available from the Office of Student Financial Aid.

Medical Student Affairs Council Scholarship Fund

One or more scholarship awards, not to exceed \$500 each, shall be granted to the most financially needy medical students enrolled in the MU School of Medicine, as determined by a completed School of Medicine Scholarship/Loan application and information available from the Columbia campus Office of Student Financial Aid. Recipients must be American citizens or hold permanent residency status, and must be making satisfactory academic progress as certified by the Associate Dean for Students.

Medical Student Leadership

Leadership award given to a graduating M4 during Commencement. Recipient is determined by a vote of their peers.

University of Missouri School of Medicine Scholarships

Michael D. DePriest, M.D. & Barbara A. Braznell Endowed Scholarship Fund	<i>One annual scholarship award shall be given to a student enrolled in the School of Medicine. If the student continues in good standing, the award is renewable for an additional three years, for a total four-year award. When that recipient has completed the four-year period, a new recipient shall be selected for the scholarship award with the same renewal option.</i>
Minority Medical Student Scholarship Fund	<i>One or more annual awards shall be made to full time Minority medical students enrolled in the School of Medicine. For the purpose of this fund, minority is defined as African, African American, and Hispanic ethnic origin. The minority student(s) shall be in good academic standing, a United States citizen. Preference shall be given to minority medical students who have a permanent residence in the State of Missouri.</i>
Mitchell Rosenholtz, M.D. Scholarship Fund	<i>One or more annual scholarships shall be given to medical students enrolled in the University of Missouri-Columbia School of Medicine. Selected recipient(s) shall have financial need. Consideration shall be given to parental income regardless of the student's independent or marital status. To the maximum practicable, the United States Department of Health and Human Services Poverty Guidelines (with the student being counted in the household size) shall be utilized in the selection of recipient(s). Additional priority shall be given to first-generation college students. The scholarship is renewable as long as the student maintains full-time enrollment in the University of Missouri-Columbia School of Medicine and continues to meet the above stated criteria.</i>
Mrs. George W. Achuff and Achuff Family Endowment for Medical Education	<i>One or more annual awards shall be made to students in the School of Medicine. First preference shall be given to students who graduated from a high school in the greater St. Louis Metropolitan area.</i>
Myron and Marie Theiss Mose Medical Scholarship Endowment	<i>One or more annual awards shall be made to medical students enrolled in the School of Medicine. Criteria for selection shall be academic achievement and financial need.</i>
Norman L. Bartlett, M.D. and Sleeta A. Bartlett Medical Scholarship Fund	<i>One or more annual scholarship awards shall be given to students enrolled in the School of Medicine.</i>

Nouri Sandoval Scholarship Endowment

One or more annual scholarship awards shall be given to female students enrolled in the School of Medicine, with preference given to under-represented minorities with financial need. It is the donor's intent that the award be given to one or more fourth-year students who match to a General Internal Medicine residency program. The Association of American Medical Colleges (AAMC) defines underrepresented minorities as those racial and ethnic populations that are underrepresented in the medical professions relative to their numbers in the general population: blacks, Native Americans (including American Indians, Alaskan Natives, and Native Hawaiians), Mexican Americans and mainland Puerto Ricans. If it is ever legally mandated that such minority scholarships are illegal, the fund shall be available to all students in the School of Medicine who meet the criteria of the fund. If a male applies and qualifies for the award in all ways other than sex, then an award of equal amount shall be made available to that applicant from other sources.

Patrick H. Henry, MD Scholarship

One or more annual awards shall be made to a student in the MU School of Medicine with a demonstrated financial need.

Paul H. Rother M. D. Endowed Scholarship Fund

One or more annual awards to students enrolled in the School of Medicine. First preference shall be to graduates of St. Charles High School, St. Charles West High School, Lutheran High School of St. Charles, or Duchesne High School of St. Charles, in St. Charles, Missouri. Second preference shall be to graduates of any high school in St. Charles County, Missouri. Third preference shall be to a graduate of any Missouri High School.

Pauline Bryan Memorial Scholarship Fund

Scholarship awards to students in the School of Medicine.

Ray McCanse Endowed Medical Scholarship and Loan Fund

To be used to provide scholarship awards to students in the School of Medicine. Funds may also be used as needed for short-term loans.

Richard A. Holmes, M.D. Minority Medical Students Scholarship Fund

One or more annual scholarship awards shall be given to students enrolled in the School of Medicine who meet the following criteria: a. The student is of a race or ethnicity that is underrepresented in Medicine in the United States as defined by the Association of American Medical Colleges, with a priority for students who are African-American. b. As between the students identified under criteria (a), preference will be given to students with financial need over students without financial need as determined by the Office of Student Financial Aid. c. As between the students identified under criteria (a) and (b), preference will be given to students considering careers in specialties or locations that are underserved. If it is ever federally mandated that the criteria in II(A)(1)(a) is illegal for the Curators to apply to an endowed scholarship such as that established under this Agreement, the Curators will, within a reasonable period of time, notify the donor representative. The donor representative will have 120 days from receipt of the date of the notice to direct any lawful change in the criteria above. In the event that the donor representative does not give different direction, the award shall be made available to all students who meet criteria II(A)(1)(b) and (c).

Richard L. Highland Scholarship Fund

One or more annual awards shall be made to full-time students enrolled in the School of Medicine who have a demonstrated financial need.

Robert A. Ryan Sr. and Robert A. Ryan Jr. Scholarship Fund

Monetary awards shall be made from the distributions account to students in any of the four medical school classes at the University of Missouri-Columbia School of Medicine. Recipients shall be from the Southwest counties in the State of Missouri. For purposes of this endowment, southwest counties shall be defined as Barry, Barton, Cedar, Christian, Dade, Dallas, Douglas, Greene, Jasper, Lawrence, Newton, McDonald, Ozark, Polk, Stone, Laclede, Taney, Texas, Webster, and Wright. If a recipient's enrollment is terminated for any reason during a school year, a replacement recipient for the balance of the school year may be selected. If there are no qualified recipients from the counties listed above, the award shall not be granted for that year, but shall be retained in the distribution account to be used for future awards.

Robert J. and L. Harlene Bailey Endowed Student Scholarship Fund

One or more annual scholarship awards shall be granted to students enrolled in the School of Medicine.

Roger M. Deroos PHD Scholarship Endowment Fund

One or more annual awards shall be given to students in the MU School of Medicine. Preference shall be given to students from Southeast Missouri.

Ruby and Frasier McVean Medical Scholarship Fund

Ruby T. McVean's trust directs "the fund shall be used for the purpose of providing annual stipends for scholarships for students, including graduate students, enrolled and engaged in full time study." Additional criteria specified by the trust are students in need of financial assistance in order to attend the University; good moral character; and who shall maintain in college while receiving assistance hereunder, a grade average within the upper one-third of their class. The trust states that no student receiving assistance from this endowment shall be required to pay back any part thereof.

University of Missouri School of Medicine Scholarships

Ruby T. McVean Family Medicine Scholarship Fund

Ruby T. McVean's trust directs that recipients shall be entering their fourth year of medical studies in the School of Medicine and shall exhibit the following characteristics: a. Demonstrable financial need; b. Clinical and personal performance at high levels; c. Academic performance at high level; d. A demonstrated interest in family medicine and an intention to enter the practice of such.

Russ and Mary Nall Endowment Fund in Medicine

The distribution to be used for a scholarship for a medical student pursuing a specialty in cardiology or heart surgery on the University of Missouri-Columbia campus. Each scholarship should be continued until the recipient has attained his or her medical degree."

Russell and Dara White Scholarship Endowment

Criteria for selection shall be based on academic achievement and financial need. First preference will be given to students in their third year from rural Missouri.

Ruth McLain Johnstone Scholarship Fund

One or more annual awards shall be made to female students, born in the State of Missouri, who are enrolled in the MU School of Medicine.

S.E. Kerr Memorial Scholarship Fund

One or more annual awards shall be made to a third for fourth year medical student in the School of Medicine at MU. Criteria for the selection of the recipient(s) shall be financial need and satisfactory academic performance.

School of Medicine Class of 1949 Scholarship Fund

One or more annual awards shall be made to full-time medical students who have a demonstrated financial need as determined by the School of Medicine financial aid office.

School of Medicine Class of 1952 Scholarship Fund

One or more annual awards shall be made to full-time medical students who have a demonstrated financial need as determined by the School of Medicine financial aid office.

School of Medicine Class of 1957 Scholarship Fund

One or more annual awards shall be made to full-time medical students who have a demonstrated financial need as determined by the School of Medicine financial aid office.

School of Medicine Class of 1960 Scholarship Fund

One or more annual awards shall be made to full-time medical students who have a demonstrated financial need as determined by the School of Medicine financial aid office.

School of Medicine Class of 1965 Scholarship Fund

One or more annual scholarship awards shall be made to full-time medical school students with a demonstrated financial need.

School of Medicine Class of 1966 Scholarship Fund

One or more annual awards shall be made to full-time medical students who have a demonstrated financial need.

School of Medicine Class of 1967 Scholarship Fund

One or more annual awards shall be made to full-time medical students who have a demonstrated financial need as determined by the School of Medicine financial aid office.

School of Medicine Class of 1968 Scholarship Fund

One or more annual awards shall be made to full-time medical students who have a demonstrated financial need as determined by the School of Medicine financial aid office.

University of Missouri School of Medicine Scholarships

The Gunn Scholarship	<i>One or more annual awards will be given to students enrolled in the School of Medicine. First preference shall be given to students interested in practicing dermatology in the Mid-Missouri area. If preference cannot be met, the scholarship can be awarded to any student, based equally upon academic achievement and financial need.</i>

University of Missouri School of Medicine Scholarships

The Larry G. Piepergerdes M.D. Scholarship

One or more annual awards shall be made to a student in the MU School of Medicine, with preference given to those students who rank in the upper 10% of the entering class and are US citizens. The award is renewable if the recipient maintains a record of satisfactory academic achievement.

Thomas E. and Mary M. Ashley Memorial Scholarship

One or more annual awards shall be made to a student in the MU School of Medicine.

Thomas F. and Susan W. Essman Medical School Scholarship Fund

To provide one or more annual awards to students in the School of Medicine. Selected recipients shall be in good academic standing in the School of Medicine, and shall have a demonstrated financial need. First preference shall be given to students who graduated from a high school in Saline County, MO or from a high school in the Springfield, MO area.

Thomas J. and Sharlyn Cooper Minority Medical Student Scholarship Fund

To provide one or more annual awards to minority students enrolled in the School of Medicine. If it is ever federally mandated that minority restricted scholarships are illegal, this scholarship shall then be made available to all students in the School of Medicine.

Thomas S. Fleming, MD and Eilleen T. Fleming Medical Scholarship Fund

To provide one or more annual awards to students in the MU School of Medicine.

Thomas W. Burns, M.D. Scholarship Endowment

Shall be used to provide one or more annual scholarship awards to full-time students enrolled in the School of Medicine.

Tom and Anne Smith, MD-PHD Program Endowed Fund

One or more annual scholarship awards shall be made to students in the School of Medicine MD-PhD Program. The award(s) shall support the medical education component of the program, while the PhD portion of their education will be covered by other funding sources. The intent of the scholarship awards is to allow medical students to explore the potential of science during their years of highest creativity and interdisciplinary training.

University of Missouri-Columbia Medical School Alumni Board of Governors Scholarship Endowment Fund

One or more annual awards will be given to students enrolled in the School of Medicine. Preference shall be given to members of the student Mizzou Alumni Association True Tigers. Recipient must attend the fall meeting of the Board of Governors in order to be recognized.

Vernon Earl Wilson, M.D. Scholarship Fund

One or more awards per year shall be made to medical students enrolled in the University of Missouri-Columbia School of Medicine who have demonstrated financial need and academic attainment sufficient to justify being awarded a scholarship from the proceeds of this fund. These awards shall be named the Vernon Earl Wilson, M.D., Scholarship Award and shall be accompanied by a suitable and official certificate inscribed with the name of the award and with the recipient's name. The donor, however, stipulates that each award be in an amount no less than one hundred dollars (\$100).

Vernon Wilson, M.D. Memorial Scholarship in Family and Community Medicine

One or two annual awards shall be made to M-4 students entering Family Practice at the University of Missouri School of Medicine.

University of Missouri School of Medicine Scholarships

W.B. (Pete) Stewart Memorial Pathology Award

One or more annual awards shall be made to one or more fourth-year students in the School of Medicine who will be entering an accredited residency program in pathology following graduation, and have demonstrated outstanding ability in the field of pathology as a medical student.

Wallace R. Stacey, M.D. and Wilda C. Stacey Endowed Scholarship

One or more annual scholarship awards shall be give to M1 (first year) students enrolled in the University of Missouri-Columbia School of Medicine. Criteria for selection shall be academic achievement and financial need and the selected recipient(s) must be a Missouri resident. It is the desire of the donor that the recipients for this award be selected without any discrimination. It shall be available equally to either male or female students.

William B. See, M.D. Medical Student Scholarship Endowment

One or more annual scholarship awards shall be given to students, in good academic standing, enrolled in the School of Medicine. Financial need shall not be used as a determining factor for award. First preference shall be given to residents of the Central Missouri area.

William H. and Ella M. Schewe Memorial Medical Scholarship Fund

One or more annual awards shall be made to students in the MU School of Medicine. This award is intended to help with the costs of tuition and fees for the student.

William L. Knapp Scholarship for Women in Medicine

One or more annual scholarship awards shall be given to female students enrolled in the MU School of Medicine. If a male applies and qualifies for the award in all ways other than gender, then an award of equal amount shall be made available to that applicant from other sources.
