

FIRST IMPACT

WHY HOST FIRST IMPACT

- Missouri's Graduated Driver (GDL) License law is presented to parents & teens by Law Enforcement Officers and Facilitators.
- Parental involvement is key and has a significant impact on teen driving safety.
- GDL laws have been instrumental in reducing teen crashes by 20 percent to 40 percent.

ThinkFirst!
Missouri

OBJECTIVES OF THE PROGRAM ARE TO INCREASE:

- Awareness of teen driving risks
- Understanding of Missouri's GDL law
- GDL monitoring and enforcement at home
- Importance of being a positive role model

FREE

Funds for the program are provided by the Missouri Department of Transportation (MoDOT) Highway Safety & Traffic Division and State Farm Insurance.
